BB guns are even outlawed in DC. Anything that could potentially be used to cause harm will get you arrested.

Isn't Heller v DC for exactly that purpose? I don't really understand the laws in DC or the SC case

Heller made it legal to have a gun in your home and to transport it between domiciled and the range. Local still has control on what you can carry and when, till a national constitutional carry is upheld or a national reciprocity passes the left will do anything they can to stop you from owning a weapon, including using some BS weapons charge like a having a promo high cap magazine or a stinger whip to come to your house and take all if your weapons.
